To Whom it Concerns:

We were pleased to have the unique energy, personality, and contributions of Layla Love in the Publishing Office during August of this year.

Ms. Love assisted us ably and well with research for two publishing projects, and made a substantive contribution to one of them on her own initiative.

In both her enthusiasm and focus, Ms. Love was enjoyable as well as beneficial to have in our midst. I believe the experience also yielded her useful knowledge of world's biggest library as well as its editorial and publishing operations.

I can be reached at (202) 707-5175 for any questions on this matter.

Sincerely,
